

NEW JERSEY SECTION

May 22, 1996 - The meeting was held at the Rusty Nail/Coachman Motel, Cape May, New Jersey hosted by Conrad Briant.

Mike Klinge of ASKCA demonstrated the many new products he had on display, such items were StrobeCom I, Preemption Detector, Video Detection System by Traficon, the 170E and other related equipment by McCain.

To help us with our membership drive the Section will be giving an IMSA tee shirt to any member who signs up two new members this year. So help us with our drive and get yourself a tee shirt.

The next New Jersey Section meeting will be held on Wed., June 19, 1996 at Signal Service Inc. The host will be Russ Leaf.
